

{Online} Event Essentials

Take Your Event To The Next Level

1

Event Website

Display your event on a single, stylish scrollable page with every functionality you need including online registration. Conferences, special events, workshops.

2

Social Media

Use the power of social media to spread the word about your event and generate interest. Twitter, Facebook, YouTube, LinkedIn ...and more!

3

Live Streaming

The right technology exists to bring your virtual audience members into your event - live. And... it's more affordable that you think!

4

Video Catalogue

Keep your event alive long after it's over! Convert important moments into video assets. Keynote speakers, endorsement and testimonials.
